Message from the chapter:

THE BROTHERS ARE BACK!!!

As of the past month the brothers have been back on campus looking forward to a great 2026-2027 academic year. From welcome week to rush week there has been countless hours poured into helping KDR stand out on campus and we couldn't be happier about how the first month has went.

MESSAGE FROM BROTHER SHAFF

Little cups big hearts is a foundation that was started by mine, and new member Harley Garl's 7 year old cousin whose father is suffering from pancreatic cancer. As a child there is not much you can do, but she wanted to help however she can so she did the only thing all kids can do to make some money, she opened a lemonade stand to raise money for her dad. Her bravery and resilience has inspired many in her local community and beyond and we are working with them and the little cup big hearts foundation to continue to raise fund and awareness for pancreatic cancer research in hopes that nobody else and their family has to suffer in the same way ours has. For me and Harley, this foundation is the one bit of hope that we can hold onto for our family and it means everything to us that our brothers have been here for us and helped us fight for our uncle and all those who's families have been rocked by this disease. Our uncle is a fighter and continues everyday to defy the odds, it clearly rubbed off on his daughter, and we hope to catch a little of that fight too in helping them however we can.

BALLOON A BROTHER

Balloon a Brother is Back!
Similar to last year we are asking for donations through balloon a brother, for those unfamiliar with the event let me explain...
At the event on Oct 1st students will be able to buy water bqaloons that they can then throw at any brother of their choice, but anyone can donate to the cause and donate it towards a specific brother, the brother with the most money donated towards him will be pelted with all the remaining balloons at Rhock on Oct. 2nd

If you would like to donate towards any specific brother (I reccomend Van) You can donate through our Venmo: KDR-Epsilon (if asked for the last 4 digits those will be 6586)
